WIMBLEDON VILLAGE

The Dental Rooms, 1 Ridgway, Wimbledon Village, London SW19 4RS

Welcome to Dental Rooms in Wimbledon Village

Private Dental Health Care and Family & Specialist Dental Care

The Dental Rooms in Wimbledon, South West London is led by dentists who are registered specialists on the General Dental Council. The term 'specialist' is a formal recognition of dentists who have undergone continuing education with the acquisition of new competencies and skills.

We provide a full range of dental services for all the family. We use the latest techniques and best dental materials to provide the highest quality of dental care. We have our own in-house dental specialists so that all treatment is carried out under one roof and hence avoiding the inconvenience of travelling to other specialists based centres in Central London

You can now find us on Facebook!

'Like' us on Facebook and be the first to hear of our Special Offers and important updates.

Free Facial Rejuvenation Consultations

When you look in the mirror are you becoming increasingly aware of the signs of ageing such as:

- Frown lines between the eyes
- Forehead lines
- Crow's feet

Enhancing your features and combating the signs of ageing is easy with our non-surgical procedure, Azzalure. Some of the many benefits to Azzalure are that it(s):

- Quick and usually requires only a single visit
- Painless
- Relaxes the muscles that cause lines and wrinkles
- Shows immediate results
- Lasts from 4 to 6 months or more

Additionally, Azzalure can be used as a finishing touch to cosmetic dental work; once your smile has been restored, your lips and facial muscles can just as easily be aesthetically pleasing.

If you are unsure if this is the right treatment for you then come along and have a chat and get some of your questions answered by booking a FREE 30 minute consultation with Dr Cilliers.

Prevention Is Better Than Cure

Maintaining good oral care habits between dental visits has an important impact on long-term oral health. With the uncertainty taken out of technique, the use of a Sonicare power toothbrush can significantly improve brushing method and results.

How can Sonicare help you improve your oral health?

Helps you to follow dental recommendations

- Two-minute timer helps ensure recommended brushing time
- Quadpacer interval timer encourages thorough brushing

Proven to improve oral health

- Naturally whiter teeth with patented sonic technology
- Improves gum health in just two weeks
- Clinically proven safe and gentle

Provides a superior clean

- Dynamic cleaning action drives fluid between teeth
- Angled brush head neck for better reach to back teeth

UV Brush Head Sanitizer

- Cleaner brush, better oral health:
All-in-one sanitizing, charging and storage.
- It kills up to 99% of bacteria and viruses.

WIMBLEDON VILLAGE

Helps Celebrate 125 Years of Tennis at Wimbledon

Over the past few months pupils from two primary schools, two secondary schools, a visually impaired tennis club, Wimbledon College of Art as well as some local artists have been helping to turn 125 vintage wooden, unstrung, unfinished racket frames into works of art to reflect and celebrate the 125th Wimbledon Championships. To help celebrate such a wonderful event Dental Rooms will be showcasing 8 of these amazing works of art in our reception area.

Come and visit the Dental Rooms throughout the Wimbledon Tennis Tournament and see the amazing and wonderful works of art created in honour of 125 years of tennis at Wimbledon!
