

**Increased Opening
Hours and Hygiene
Availability**

We are pleased to inform you that from the 1st July 2009 the practice is now open until 2pm on Saturdays. As of the 22nd September 2009, hygienist Andrea Patrice will be available every Tuesday from 9am–8pm and every Wednesday from 2pm–8pm. Hopefully this will make it easier than ever for you to maintain good oral hygiene.

Congratulations!

To Specialist Care Nurse Katya Genova who is expecting her first baby. We wish her all the best.

**Prevention of tooth
decay**

- Change your toothbrush every 3 months.
- Brush your teeth at least twice daily.
- Do not rinse after brushing your teeth.
- Clean the spaces between your teeth with dental floss.
- Avoid snacking between meals.
- Use fluoride products as prescribed by your dentist.

New Staff

We are delighted to introduce two new members to the team. Helen Smith joined the team in January 2009 and is our new Assistant Practice Manager. We are also pleased to welcome Halyna Lesnyak who is the most recent addition to the team, starting in August 2009 as Dr Bina Patel's new endodontic nurse.

DENTAL ROOMS
WIMBLEDON VILLAGE

Well Done!

To the ladies of the team who completed a 5k run on Sunday 28.06.09 to raise money for Cancer Research. Please give generously to show your support.

Thank you for your support.

We'd like to take this opportunity to thank you for your continued support for our practice. It is a privilege and a great pleasure for us to be able to provide you and your family with the highest standard of dental and oral health care. We try to treat our patients with the utmost dignity, respect and compassion. It is very satisfying to see just how many patients pay us the ultimate compliment by referring their friends and family to our practice. We are truly grateful for your trust.

Our sincere thanks...

We would like to invite your comments regarding the care that has been received to help reassure potential nervous patients of the quality of care and services we provide. Of course, there is no obligation to carry out this request, but if you are able to we will be most grateful for your kind support.

Invisible Orthodontics...

Adults now make up more than 80% of our orthodontics patients, with our oldest patient wearing a brace aged 79. Modern braces can be a great way to improve your smile and confidence. Straightened teeth are far more pleasing to the eye and far less susceptible to dental diseases.

Dr Angela Auluck offers a wide range of braces including:

- Invisalign (clear removable aligners)
- Clear ceramic braces
- Lingual braces (bonded to the inside surfaces of the teeth where they are totally out of sight)

Look around... some of your friends and colleagues may be wearing braces and you don't even know it!
