

Dental Rooms Connections

Welcome to our inaugural edition of newsletter for Dentists

The Dental Rooms is an award winning multidisciplinary referral practice, in the heart of Wimbledon Village. Over the past 18 years, we have grown our referral network to include over 1000 referring dentists and have treated more than 10,000 patients.

Our aim is to collaborate with referring dentists to ensure that patients receive the highest standard of dental care. This often involves shared patient care between our team of dental specialists and you.

We recognize the importance of open communication and cooperation with you, fostering seamless coordination and mutual trust.

Referring practitioners are at the heart of our referral process, and we highly value the trust you place in us.

Monthly Study clubs for Dentists

At Dental Rooms, we organize in-house study clubs. These study clubs offer a great opportunity to learn in a relaxed environment from dental specialists who share their expertise and clinical knowledge on various topics. The session typically starts with drinks, canapes followed by a lecture, case discussion, Q&A and dinner at a local restaurant.

To Save or Extract Series:

This season our specialists Dr Dev Patel, Dr Charles Barnfield and Dr Tilemachos Makropoulos are hosting a series of study clubs at Dental Rooms, on the topic of 'Save or Extract the Tooth'

The scheduled dates for Autumn study clubs are as follows:

a.13th Sept, To Save or To Extract, a Treatment Planning Dilemma, Dr Dev Patel

b.11th Oct, Endodontics and teeth, Dr Charles Barnfield

c. 8th Nov Periodontics and teeth, lecture, Dr Tilemachos Makropoulos

d.7th Dec To Extract or To Restore, Dr Dev Patel

All our study clubs are hosted in the practice for dental practitioners to casually meet fellow dentists and share clinical expertise.

The gathering begins with drinks and nibbles and a chat followed by a lecture and a Q&A session.

We also issue verified CPD after the lecture. Later, we convene for dinner at a local restaurant. It is a perfect evening to socialise while gaining clinical knowledge .

Upcoming Study clubs
