

Welcome to the Dental Rooms newsletter

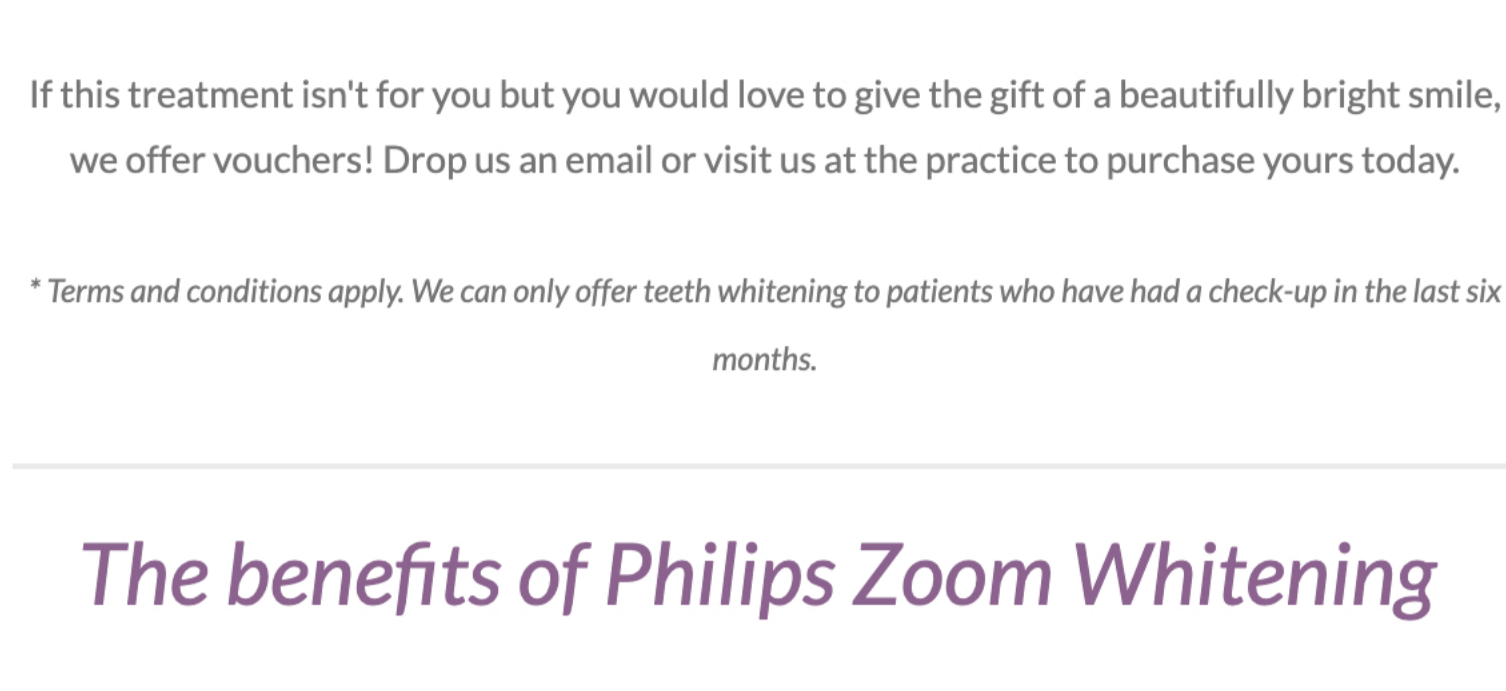

Welcome to this month's newsletter! We're not sure about you, but we've noticed a chill in the air recently. Autumn has well and truly arrived!

Are you considering teeth whitening treatment? Party season will come around before you know it, and a show-stopping white smile is the perfect confidence booster. To help you prepare, we're offering £100 off this popular treatment until the end of December!

September was an exciting month for us, so we have lots of news to share with you from across the team! Scroll down to learn more.

A quick reminder to all patients that we stock oral health items like TePe brushes and floss at the practice! Please ask the at reception if you would like to purchase them.

White Christmas Offer

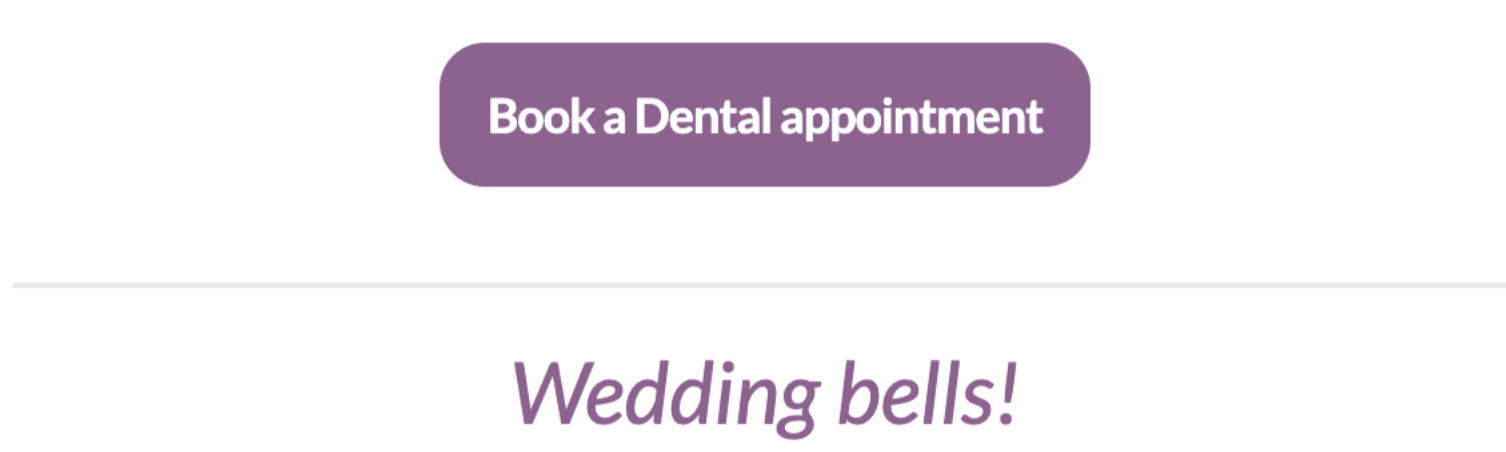

If you're looking for the perfect, show-stopping, party-ready smile in time for the festive season, then there's no time like the present...

Until 31st December, you can save £100 on transformative [teeth whitening](#) treatment to make your teeth sparkle!* To take advantage of this exclusive offer, just give our friendly reception team a call on 020 8946 2426 or drop an email on reception@dentalrooms.co.uk.

If this treatment isn't for you but you would love to give the gift of a beautifully bright smile, we offer vouchers! Drop us an email or visit us at the practice to purchase yours today.

* Terms and conditions apply. We can only offer teeth whitening to patients who have had a check-up in the last six months.

The benefits of Philips Zoom Whitening

Teeth whitening is one of the single most impactful ways to improve your smile. It is powerful, straightforward, safe, and cost-effective. No wonder it's one of the most popular dental cosmetic treatments available!

We offer Philips Zoom in-chair and at-home whitening - you can choose the option which best suits your schedule and treatment goals:

Home whitening

Custom-made bleaching trays are made to fit your teeth. You wear these for either one hour during the day or overnight. Treatment times can vary, but most patients see their best results in around two to four weeks.

In-chair whitening

Hydrogen peroxide levels are now the same in at-home whitening as in-chair whitening, so the main benefit of this method is the reduced amount of time it takes - specifically, during one simple visit!

Remember, you can save £100 on whitening until 31st December! Book an appointment now whilst availability lasts.

Wedding bells!

Here is our lovely patient Andreea Uluceanu, who recently had treatment with Dr Angela and Dr Dev before her big day!

Dr Angela straightened Andreea's teeth with Invisalign clear aligners, and Dr Dev whitened her smile and used composite bonding to neaten worn edges

These treatments are the perfect way to look and feel as confident as possible in your wedding pictures! And we're sure you'll agree that Andreea looks so stunning here.

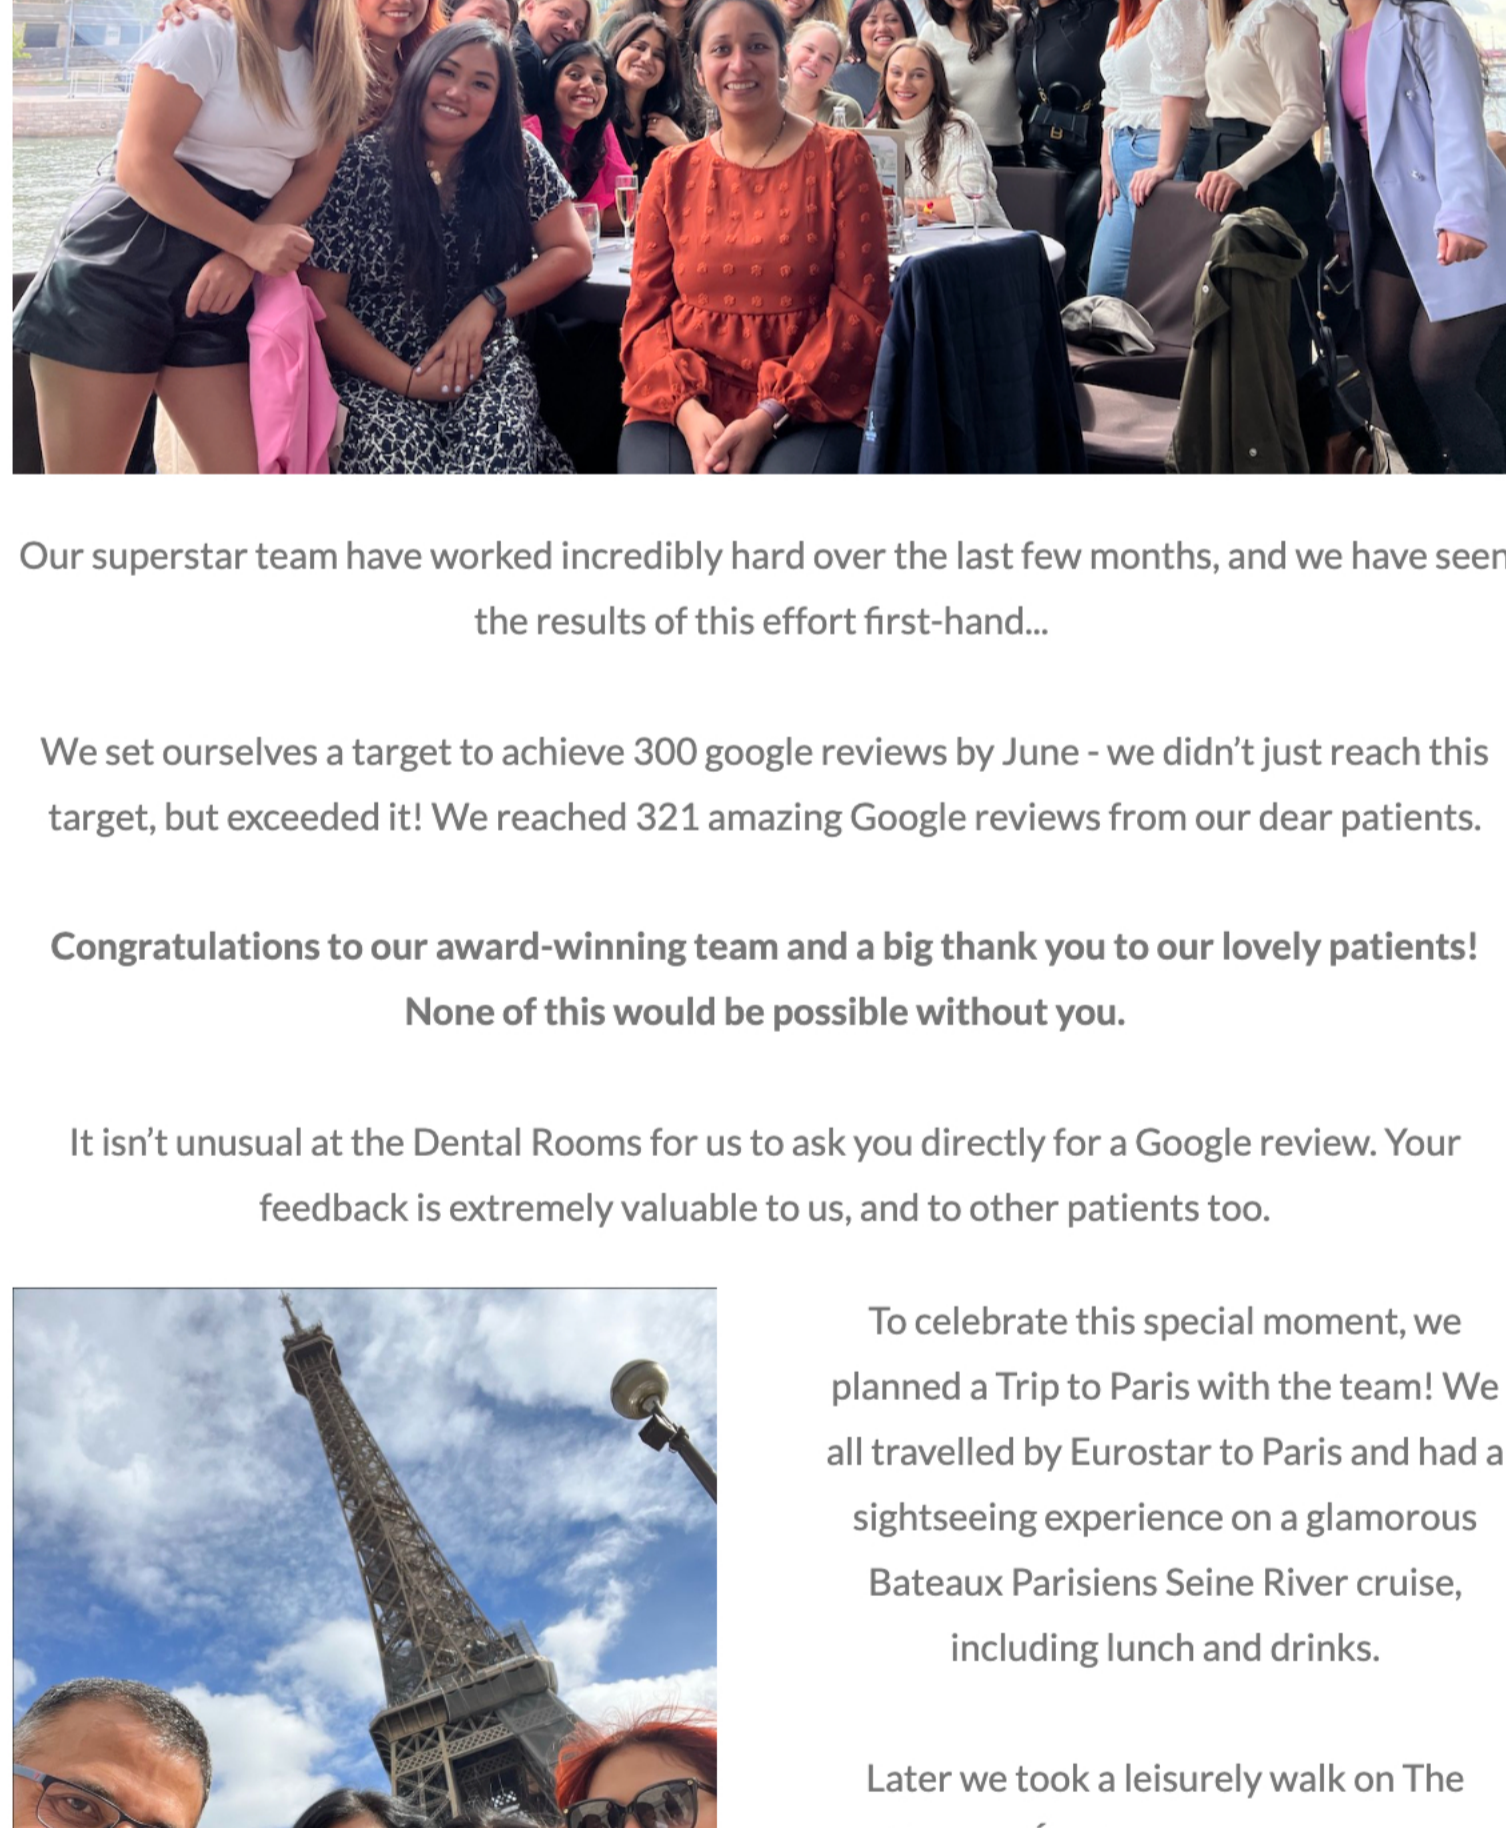

Huge congratulations to Andreea and her new husband, from all of us at Dental Rooms!

If you want to transform your smile in time for your wedding, we would love to help! Visit our website to book a consultation.

Meet Sara Jalloul

Have you met Sara, our Orthodontic Therapist? She's pictured on the left here and works alongside Dr Angela to keep our patients' orthodontic treatment on track.

Sara's main responsibilities are to coach our new Invisalign patients, and she is armed with many useful tips and tricks. She also fits all types of braces and retainers and is here to help all our orthodontic patients with all their needs.

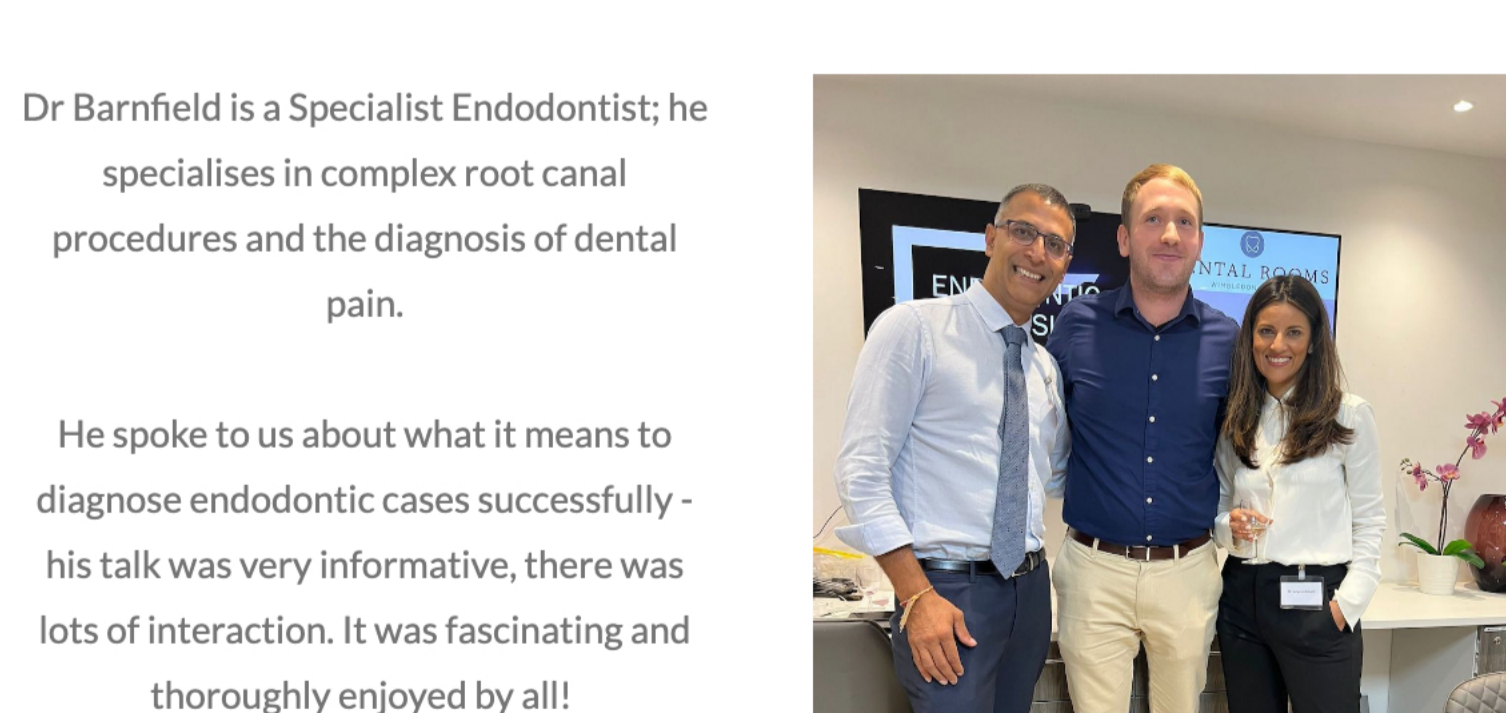

She enjoys over a decade of experience in dentistry and qualified as an Orthodontic Therapist from the Royal College of Surgeons of Edinburgh in 2016.

Sara brings a wealth of experience in removable aligner therapy with Invisalign and orthodontic retention to Dental Rooms and enjoys working in our award-winning practice. Her enthusiastic and engaging manner, passion, and diligence for the science of orthodontics have helped make her a firm favourite with our patients.

Sara works closely and supports our orthodontic clinicians to ensure a holistic approach to every orthodontic journey.

Sara is available for appointments! Get in touch to learn more about how she could help you.

From Wimbledon to Paris!

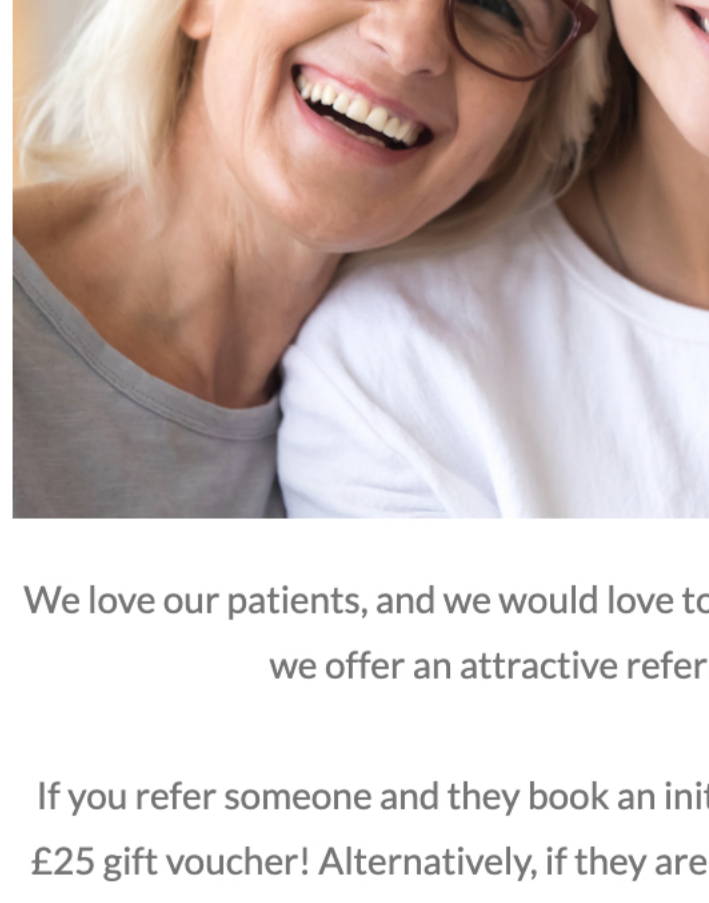

Our superstar team have worked incredibly hard over the last few months, and we have seen the results of this effort first-hand...

We set ourselves a target to achieve 300 google reviews by June - we didn't just reach this target, but exceeded it! We reached 321 amazing Google reviews from our dear patients.

Congratulations to our award-winning team and a big thank you to our lovely patients! None of this would be possible without you.

It isn't unusual at the Dental Rooms for us to ask you directly for a Google review. Your feedback is extremely valuable to us, and to other patients too.

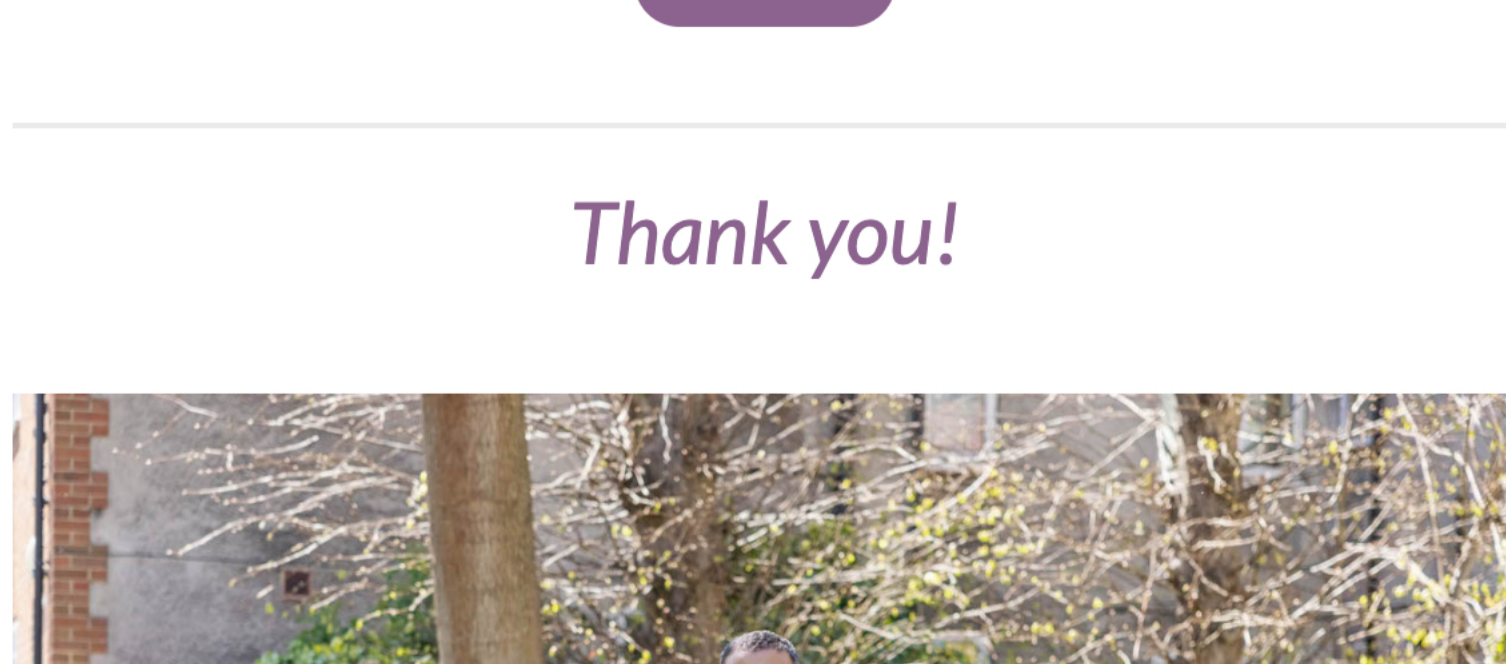

To celebrate this special moment, we planned a Trip to Paris with the team! We all travelled by Eurostar to Paris and had a sightseeing experience on a glamorous Bateaux Parisiens Seine River cruise, including lunch and drinks.

Later we took a leisurely walk on The Champs-Élysées and enjoyed some cocktails.

We had the best time with the best team, and we're so proud of the care and attention that every one of them has provided.

Study club

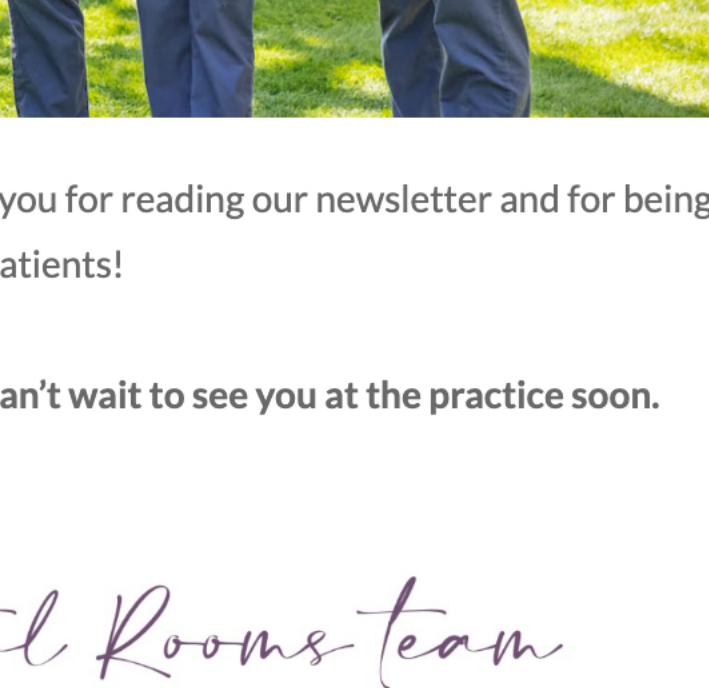

We are incredibly lucky at the Dental Rooms to have a number of Specialists who have studied for an extra 3 years in their chosen field and hold a wealth of knowledge.

Sharing our knowledge with our local dental colleagues is Immensely rewarding and we had a wonderful time hosting the Dental Rooms Study Club last month.

Dr Barnfield is a Specialist Endodontist; he specialises in complex root canal procedures and the diagnosis of dental pain.

He spoke to us about what it means to diagnose endodontic cases successfully - his talk was very informative, there was lots of interaction. It was fascinating and thoroughly enjoyed by all!

After the Study Club, the attending dentists went for a lovely local dinner, giving them a chance to discuss all the useful insights they had learned.

Our reward scheme

We love our patients, and we would love to welcome your family and friends too - that's why we offer an attractive referral reward scheme at the practice!

If you refer someone and they book an initial dental consultation with us, you will receive a £25 gift voucher! Alternatively, if they are interested in Invisalign or implant treatment and they sign up for it, you will receive a £50 gift voucher! Just ask your friend or family member to mention your name when they book.

One voucher applies per referral. If you need any more information about this, feel free to call us on 020089 462 426 or email at reception@dentalrooms.co.uk

Thank you!

Before we go, we would like to say a huge thank you for reading our newsletter and for being such loyal patients!

We hope you have a wonderful month and can't wait to see you at the practice soon.

From the Dental Rooms team
